

# The Name of Our Lord

Based on *Heidelberg Catechism*, Lord's Day 36, Q. 99–100

1. Most ho - ly, pure and ex - cel - lent, God's Name all oth - er names transcends.  
2. The Lord has placed His Name on us; We bear His Name, our lips con-fess;

We must not take His Name in vain; To curse and swear is most pro-fane;  
He is our God and we are His; Let this be shown in how we live.

There is not an - y great-er sin; We an - ger God blas-phem-ing Him.  
With fear and rev-'rent awe we praise And wor-ship His most ho - ly Name.

Speak up when God's Name is a - bused; This Name must not be light-ly used.  
Oh, may our words and works de - clare All glo - ry to this Name we bear!
