1. Not on - ly thefts and rob - ber - ies The Lord our God for - bids,
2. I must pro - mote my neigh - bour's good In ev - 'ry way I can,

But an - y trick or false de - vice Or waste of God's good gifts;
And deal with him as I would want— A good Sa - mar - i - tan.

To steal the goods our neigh - bour has, Or take what is not right;
Let him that stole now steal no more But la - bour faith - ful - ly.
